

Hi. My name is Jason Roberts. I teach Western Civilization I and II for the Alexandria and Loudon campuses at Northern Virginia Community College. I have also taught American History I and II. I received my Bachelor's and Master's in History from Northwest Missouri State University and my Ph.D. in History in Twentieth Century American Political History from George Washington University in 2007. In my spare time, I like to read, travel, and spend time with my lovely wife Emilie. We share a love of Asian food and have made a point of traveling to one major every year (including San Diego, Atlantic City, Las Vegas, and Miami).

Feel free to contact me by email at [jroberts@nvcc.edu](mailto:jroberts@nvcc.edu) I will usually answer my email within a twenty-four hour period. The main exception will be when I go on a vacation (which I will let all of you know). Please make sure to keep all copies of written materials for the course. I look forward to working with all of you in the course.
